

# Lake Twp. Will Recycle Your Old Cell Phones

***DON'T THROW AWAY THAT OLD CELL PHONE, RECYCLE IT!*** As a part of Lake Township's asserted effort to REDUCE, REUSE, AND RECYCLE, Lake Township officials encourage township residents and local businesses to ***RECYCLE*** their ***OLD CELL PHONES*** at the Township Hall (12360 Market Ave. N., Hartville), or at the Uniontown Police Department (2930 Edison Ave., Uniontown). Unwanted cell phones (working or not) can be dropped off at these locations to be ***RECYCLED***.

Whenever possible, please consider ***REDUCING*** the amount of waste leaving your home for the landfill by purchasing less "disposable" products, ***REUSING*** or selling items that are in good condition, and ***RECYCLING*** as much as you can through your local recycling drop-off site (located 1505 Midway Street - Lake Township Road Dept.). Contact Christy Bresson at the Lake Twp. Office (Hall) for more information about your local recycling programs (330) 877-9479.
