

PERMIT PROCEDURE

*Permit expires one year from date of issuance if construction has not commenced.
If construction has commenced, permit is valid for two years from date of issuance.
All construction must be completed within two years from date of issuance.*

Residential Submission

- A. Site Plan
- B. Sewer/Septic Approval
- C. House Numbering Slip
- D. Construction Plans
- E. Regional Planning Commission Approval (other than single family)

Additions, Decks, Accessory Structures, and Swimming Pools require submission of a site plan and septic approval if applicable.

Commercial/Industrial Submission

- A. Regional Planning Commission Approval
- B. Site Plan
- C. House Numbering Slip
- D. Sewer/Septic Approval
- E. Construction Plans

Additions and Accessory Structures require all of the above with the exception of House Numbering.

All zoning permit applications are reviewed by the Zoning Administrator. Applicants will be notified upon approval or denial of permit. All permits must be signed and fees paid upon pick up.
